Lepak Klang Parking Guide

- Search for Cendol Durian Buhari on Waze. Upon arrival, Rela will guide the traffic. Inform them that you need parking, and they will grant you access.
- Search for Klang Heritage Art Deco on Waze, and it will lead you through a small alley to the location.
- There are many parking spaces around the market. If you encounter Rela, just inform them that you're visiting the market, and they will usually allow you to park inside.
